6:29 PM Scott Katz from Step It up! Fundraiser: Scott Katz joined the meeting virtually.The fundraiser provides an awesome, amazing experience for all students. It is a donation only based platform that lasts for two weeks. A custom website will be made and each student will have their own page to enter 10 or more cell numbers or emails. The outgoing message will be sent by their system. The minimum donation online is $10.00 or cash/checks can be sent in in any amount. Students will receive three prizes after they bring back their completed "Golden ticket" the day after the kick-off assembly. No money has to be raised at this point. First week is the week of "WOW". Any students who entered 20 or more cell numbers or emails will be entered to win one of four mini fridges stuffed with cash. Examples of activities/inflatables are human foosball, twister, slides, soccer darts, and velcro axes throwing. A DJ Dance Party is also included. 10-12 PTO volunteers would be needed so teachers can be involved with their students. Scott then explained the profit breakdown. If GES raises $30,000 and up, the school would receive 50%, 30% pays for student rewards, 20-10% pays for the program and insurance, and 10% goes to the company. If $29,999 or less is raised, the school receives 40% profit. On the Day of Awesomeness, it will take 90 minutes to set up. Scott and the inflatable guy will come to the school at 6:45 am. Volunteers would need to arrive at 8:30. The first group of students would begin activities at 9:00. May 23rd was held as a tentative date.
