RE: Annual Policy Notifications

Dear Griswold Public Schools Community:

The Griswold Board of Education has adopted a comprehensive set of policies to govern the efficient, effective, legal and ethical operations of the Griswold Public Schools. Our Board of Education Policy Subcommittee continues to review and revise policies on a regular basis in a good faith effort to address changes in legislation. When the Griswold BOE Policy Subcommittee makes any changes to existing policies or proposes a new policy, please know that any policy revisions or new policy proposals must be reviewed and voted on by the full Griswold Board of Education.

The Griswold Board of Education policies can be found at the following website:
<http://z2policy.cabe.org/cabe/Z2Browser2.html?showset=griswold>. It is important to know that we update this electronic resource with any policy revisions or new policies. In the event that you are unable to access our policies via the Internet, please contact our offices so that we can provide you with copies.

There are many federal and state laws that require annual notification of Board of Education policies at the beginning of the school year. School districts are encouraged to use multiple modes regarding policy information awareness. Our district and school web sites certainly provide access to the Griswold Board of Education policies, and our student handbooks are another means of access to Griswold Board of Education policies.

Listed, on the next few pages, are the required due-process annual policy notifications. We have listed the policies by series, name and number so that you can access these policies easily:
