Special Memo: April Preschool Screening

Dear Parents, Guardians, and Community Members:

Griswold Public Schools had scheduled its screening for 4-year-old children on April 24, 2020. Due to the current school closure this screening will **not be conducted as planned**. If you were planning on attending this screening and you had not yet signed up please email Jaselyn Caviness, GES Secretary, at JCaviness@griswoldpublicschools.org with **your child's name, parent name, and contact information**. We will communicate with families in the near future when an alternative plan has been developed after we receive further guidance from the state of Connecticut.

As always, Griswold Public Schools keeps Child Find obligations in mind and actively seeks to locate, identify, and refer children from birth to age 21 who require special education and related services in order to assist them and their families. If you are concerned about a child's development, you are encouraged to contact Griswold Elementary School to receive information about Early Childhood Screenings. If the child is younger than 3 years of age, you may choose instead to contact the Connecticut Birth to Three System at 1-800-505-7000. If you have any questions regarding this process, please contact 860-376-7650, or CChamplin@griswoldpublicschools.org.

Please do not hesitate to contact us if we can be of help.

Sincerely,

Chris Champlin
Director of Special Education and Pupil Services
