

Griswold Board of Education Goals for 2018-2019

Note: These goals were approved by the Griswold Board of Education at the November 13th, 2018, BOE meeting for the 2018-2020 school year.

1. Continue to work effectively with the Superintendent as a collaborative leadership team to focus priorities around high achievement for all students in the district.
2. Continue to monitor, support, and refer to the District Improvement Plan as a guiding document.
3. Review, assesses, and support academic, extracurricular, and socio-emotional programming for students.
4. Engage in practical and professional learning opportunities for Griswold Board of Education members to make informed decisions.
5. Ensure that the school district operates in an efficient and cost effective manner that maximizes and safeguards the taxpayers' support.
