

Elevating School Community Voice Budget Forums

We are in the middle of our development budget process. We want to make sure your voice is heard. These forums involve the following: An overview of the 2021-2022 Initial Budget Proposal and documents; a review of the timeline, which may shift due to a number of considerations; and an opportunity to ask questions. The list below includes information on the Public Hearing, a scheduled meeting with the Griswold Board of Education. Additionally, the list below includes online sessions with Superintendent Sean McKenna and members from the Griswold Public Schools Administrative Team. We hope you can join us.
