**SUBJECT:** Governor Lamont Announces State of Connecticut Plans for Reopening Schools for the 2020-2021 School Year

+++++

At a press conference at 4pm today, Governor Lamont unveiled plans for reopening schools for the 2020-2021 school year. While we have not received the detailed specifics of the plan, Governor Lamont has shared that, at this point, the plan is to bring ALL STUDENTS back to the schools at the start of the school year with a strong focus on the following:

- All students, faculty and staff will be required to wear face masks.
- All individuals must maximize social distancing.
- All individuals must engage in consistent hand-washing
- Buildings must have enhanced cleaning and disinfection.

Once we have more information about the plan, we will be sure to share that information with the Griswold Public Schools community.
