Dear GPS:

Here are today's updates!

We are in the midst of the budget season, although all municipal meetings are online. The Board of Finance is asking for your input. You can send any comments and/or questions to the following email address Budget2021@griswold-ct.org.

All questions and comments should have your name & address (as you would provide at a public hearing) and your questions / comments will be forwarded to the Board of Finance for review and will be posted on the Town's website. A new draft of the budget will be posted as changes are made.

The BOE budget materials are online. [Please click here.](#)

SPRING SPORTS

With the announcement today of schools being closed until the end of the year, there will be no spring sports season. While this news comes with much disappointment, we thought it was important to share with the district.

Griswold Elementary School

**IMPORTANT UPDATES REGARDING PRESCHOOL
AND KINDERGARTEN REGISTRATION FOR THE
2020-2021 SCHOOL YEAR.**

GES has moved their registration packet online. To access the packet, [please click here](#).

You can download and complete each form electronically. Then email them back to: jcaviness@griswoldpublicschools.org.

Any additional documents (birth certificate, proofs of residency, drivers license, physical) may also be sent here by scanning or taking a photo.

We understand that getting your child's physical during this time may not be possible. We will still process the registration, but we will need the physical to be done before school starts in August. Please be sure to include your child's name in the subject line of each email sent. This will ensure we can easily keep everyone's packet together.

Thank you so much for your understanding and patience during this time.

Our Website

Please visit our website often, as we update the site with relevant information for students, families, and all community stakeholders. We have reformatted our [School Closure Information & COVID-19 Resource Page](#). We hope you find the new format to be more user-friendly and helpful. Be sure to click on all tabs to access different information.
