Dear Griswold Students & Parents:

We have outlined a plan for parents and students to retrieve personal items (items stored in a locker, in a cubby, or in a classroom) and to return school items (classroom books, school library books, uniforms, instruments, and Chromebooks) with public health and safety in mind. We ask that students and families take stock of all school-owned items beforehand, and identify which items to retrieve to make your trip to the campus worthwhile. More specific directions about the procedure at each school building will be sent from our schools to students and families.

Please be sure to mark these dates on your individual and family calendars, as we will be making every effort to limit and control, to the best of our ability, public contact and access to our grounds. Once again, more specific directions will be sent from our individual schools about the procedure for dropping off and/or retrieving items.
