

RECORD OF PARENT ANNUAL NOTICE

Dear Parents and Students:

The *Griswold High School Student Handbook* for the 2021-2022 school year is now available online. To access the handbook, go to the Griswold High School main page (<https://www.griswold.k12.ct.us/ghs>), scroll down the “Resources and Support” tab, and click the  21-22 GHS Handbook link. Hard copies of the handbook are available upon request. Please call the main office if you would like a hard copy of the handbook.

It is important that you and your child read and review the contents of the handbook as it contains notices of rights that you and your child have under law. Please sign and return this page (receipt) to the main office staff or your child’s first period teacher as soon as possible. **Your signature indicates that you have read and reviewed this handbook with your child.**

I understand and consent to the responsibilities in the District’s student behavior policies as outlined in this handbook. I also understand and agree that my child, _____, shall be held accountable for the behavior, interventions, and consequences as outlined in the discipline policy at school and at school-sponsored and school-related activities, including school-sponsored travel, for any school-related misconduct, regardless of time or location, and for any misconduct that may occur off school grounds that can disrupt the educational environment at GHS. I understand that any student who violates the rules established by the Connecticut Interscholastic Athletic Conference is subject to suspension from participation as described in those rules. I further understand that any student who violates the school’s rules of behavior shall be subject to disciplinary action, up to and including referral for criminal prosecution for violations of law.

Certain information regarding student records is considered directory information. Directory information includes: A student’s name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, awards received in school, and most recent previous school attended. Directory information may be released by the district to anyone who requests it, unless the parent or eligible student objects to the release by September 15th of each school year, or within ten school days of the time the student enrolls. **If you would like to restrict the release of the above information, please fill out and return to the School Counseling Office, the “Restrict Directory Information Form” that was mailed to you in your summer packet.** If you need an additional form, please contact the School Counseling Office at 376-7680. Please be aware that a new form must be completed and submitted for each school year.

The Griswold Public Schools provides computer access to students for educational purposes. I understand that any misuse of the computer network or software systems may subject students to GHS sanctions as well as to applicable CT General Statutes, Section 53a-251 “Computer Crime.”

I understand and acknowledge the district’s procedures concerning the use of video recorders on school buses. I also understand that my child shall be held accountable for his/her conduct on district transportation and for the consequences outlined in the district’s discipline procedures for district-approved student transportation.

I have reviewed the 2021-2022 Griswold High School Student Handbook and acknowledge its contents.
