

These trails were made to preserve the wood and wetlands that surround our campus.

The River Trail 1.3 miles

This trail starts in the parking lot near the varsity softball field and joins up with Blue the White and Orange Trails. The trail follows the Quinebaug River to the 395 underpass. Then turns up hill to Williams Drive. Return back to the parking lot for a total of 2.6 miles.

The Blue Trail 2.5 miles

This trail starts in the parking lot near the varsity softball field and leads to the power lines and joins with the River Trail the White and the Orange trails along the river and up and down some steep hillsides. The trail is meant to be a good work out through the woods around the campus.

The White Trail 1.4 miles

This trail starts in the parking lot near the football/track field and joins with the Orange the Blue and the River Trails. The trail branches off of the Blue Trail alongside the Quinebaug River where it returns to the parking lot.

The Orange Trail 1.2 miles

The Nature Trail starts near the elementary school and has an information booth with a self-guided booklet to help you discover what our students have found and allow you to rediscover the wonders of nature. It joins the River Trail the White Trail and the Blue Trail.
